Type : **High Profit Value Domain Name**

**This auction is for: HA-MC.COM Domain name**

**I b.s. you not, once this name is sold, it will NEVER be up for sale EVER again. Buy it now, it will go FAST**

First off, I would like to say I have no HA affiliation and the purchase of multiple 4 letter (LLLL.com) and 5 letter (LLLLL.com) domain was quit by accident. I did not correlate the 81 with the Hells Angels identification at time of purchase. I have purchased 100's of four letter .com domains prior to them running out before November 2007, and some after that went up after expiration. I was contacted by a person outside the United States interested in purchasing 81EU.com for a European web site. A brandable four or five letter dot com domain name now days goes for \$3800 all the way to \$1,000,000 +. I am selling at a bare minimum and donating a majority of the profit to the local SPCA.

What is the difference from a four letter domain and others? Typically a good 4 or 5 letter domain will sell for 10-100 time more then a 6+ letter.

**GET THE FOUR LETTER AND FIVE LETTER .COM DOMAINS WHILE YOU CAN, WHEN THEY ARE SOLD, THAT'S IT, THEY WILL NEVER BE UP FOR SALE AGEIN !!!!!!!!!!!!!**

**FIRST COME...FIRST SERVE... I know this is a smoking deal, I just need to clearance them out.**

HA-MC.COM is parked at Godaddy.com. Since its already parked there, when you purchase and I transfer to your FREE Godaddy.com account you will get free email and web page you can set up for up to 5 pages and multiple emails. Example: [mike@ha-mc.com](mailto:mike@ha-mc.com), [info@ha-mc.com](mailto:info@ha-mc.com), [ralley@ha-mc.com](mailto:ralley@ha-mc.com), etc.

I am taking paypal only, after purchase, I will contact you. I will allow a 5 day clearing time on credit cards and check through paypal.com. Funded accounts will clear immediately. I will then unlock web address, and send you security code to transfer to your account. I will also send all copy of all paper work and codes via fedex. If you need help with it, I can talk you through it, it's a lot easier then it sounds. Godaddy.com makes it pretty easy for anyone and they have someone you can call 24/7 for help. Transfer should be free push, but Godaddy.com might charge a transfer fee less then \$10. Check with then before you buy.

## **This auction is for: 81-MC.COM Domian name**

First off, I would like to say I have no HA affiliation and the purchase of multiple 4 letter (LLLL.com) and 5 letter (LLLLL.com) domain was quit by accident. I did not correlate the 81 with the Hells Angels identification at time of purchase. I have purchased 100's of four letter .com domains prior to them running out before November 2007, and some after that went up after expiration. I was contacted by a person outside the United States interested in purchasing 81EU.com for a European web site. A brandable four letter dot com domain name now days goes for \$3800 all the way to \$1,000,000 +. I am looking to just clearance out and cover my expenses and not to profit on an 81 logo. That is why I am selling for **\$208**. that will cover domain, reg. PV, Ebay and paypal and whats left over is going to our local SPACA.

What is the difference from a four letter domain and others? Typicly a good 4 letter domain will sell for 10-100 time more then a 5 letter. 5 letter will sell 10-100 times those with more then 5 letters.

**GET THE FOUR LETTER AND FIVE LETTER .COM DOMAINS WHILE YOU CAN, WHEN THEY ARE SOLD, THAT'S IT, THEY WILL NEVER BE UP FOR SALE AGEIN !!!!!!!!!!!!!**

**This auction is for: 81EU.COM Domian name**

First off, I would like to say I have no HA affiliation and the purchase of multiple 4 letter (LLLL.com) domain was quit by accident. I did not correlate the 81 with the Hells Angels identification at time of purchase. I have purchased 100's of four letter .com domains prior to them running out before November 2007, and some after that went up after expiration. I was contacted by a person outside the United States interested in purchasing 81EU.com for a European web site. A brandable four letter dot com domain name now days goes for \$3800 all the way to \$1,000,000 +. I am looking to just clearance out and cover my expenses and not to profit on an 81 logo. That is why I am selling for **\$108.** that will cover domain, reg. PV, Ebay and paypal and whats left over is going to our local SPACA.

What is the difference from a four letter domain and others? Typicly a good 4 letter domain will sell for 10-100 time more then a 5 letter. A good .COM domain will sell 100-10,000 times more then the .org and .net sites of the same site.

**GET THE FOUR LETTER .COM DOMAINS WHILE YOU CAN, WHEN THEY ARE SOLD, THAT'S IT, THEY WILL NEVER BE UP FOR SALE AGEIN !!!!!!!!!!!!!**

**FIRST COME...FIRST SERVE... I know this is a smoking deal, I just need to clearance them out.**

81EU.COM is parked at Godaddy.com. Since its already parked there, when you purchase and I transfer to your FREE Godaddy.com account you will get free email and web page you can set up for up to 5 pages and multiple emails. Example: [mike@eu.com](mailto:mike@eu.com), [info@81eu.com](mailto:info@81eu.com), [ralley@81eu.com](mailto:ralley@81eu.com) etc.

I am taking paypal only, after purchase, I will contact you. I will allow a 5 day clearing time on credit cards and check through paypal.com. Funded accounts will clear immediatly. I will then unlock web address, and send you security code to transfer to your account. If you need help with it, I can talk you through it, it's a lot easier then it sounds. Godaddy.com makes it pretty easy for anyone and they have someone you can call 24/7 for help. Transfer should be free push, but Godaddy.com might charge a transfer fee less then \$10. **This auction is for: 81OC.COM Domian name**

First off, I would like to say I have no HA affiliation and the purchase of multiple 4 letter (LLLL.com) domain was quit by accident. I did not correlate the 81 with the Hells Angels identification at time of purchase. I have purchased 100's of four letter .com domains prior to them running out before November 2007, and some after that went up after expiration. I was contacted by a person outside the United States interested in purchasing 81EU.com for a European web site. A brandable four letter dot com domain name now days goes for \$3800 all the way to \$1,000,000 +. I am looking to just clearance out and cover my expenses and not to profit on an 81 logo. That is why I am selling for \$108. that will cover domain, reg. PV, Ebay and paypal and whats left over is going to our local SPACA.

What is the difference from a four letter domain and others? Typicly a good 4 letter domain will sell for 10-100 time more then a 5 letter. A good .COM domain will sell 100-10,000 times more then the .org and .net sites of the same site.

**GET THE FOUR LETTER .COM DOMAINS WHILE YOU CAN, WHEN THEY ARE SOLD, THAT'S IT, THEY WILL NEVER BE UP FOR SALE AGEIN !!!!!!!!!!!**

**FIRST COME...FIRST SERVE... I know this is a smoking deal, I just need to clearance them out.**

81OC.COM is parked at Godaddy.com. Since its already parked there, when you purchase and I transfer to your FREE Godaddy.com account you will get free email and web page you can set up for up to 5 pages and multiple emails. Example: [mike@81oc.com](mailto:mike@81oc.com), [info@81oc.com](mailto:info@81oc.com), [ralley@81oc.com](mailto:ralley@81oc.com) etc.

I am taking paypal only, after purchase, I will contact you. I will allow a 5 day clearing time on credit cards and check through paypal.com. Funded accounts will clear immediatly. I will then unlock web address, and send you security code to transfer to your account. If you need help with it, I can talk you through it, it's a lot easier then it sounds. Godaddy.com makes it pretty easy for anyone and they have someone you can call 24/7 for help. Transfer should be free push, but Godaddy.com might charge a transfer fee less then \$10. Check with then before you buy.
