TEAM BUILDING OPPORTUNITIES

We understand that there is just too much information provided at our events for just one person to capture it all.

Even more importantly, as Momentum remains conscious of the budget challenges that most businesses still face in today's economy, we believe that it doesn't take 3 or more to be a group—bring just one colleague along with you to an event and you'll both receive a discount.

Bring one colleague (group of 2 in total)

Both receive 10% off registration.

Bring two colleagues (group of 3 in total)

All three receive 15% off registration.

Bring three colleagues or more (group of 4 in total)

All four receive 25% off registration.

THE FUTURE OF THOUGHT LEADERSHIP DELIVERED TODAY

As competition has significantly increased, resources have been curtailed and the overall economics of the industry have shifted, the race to, and critical importance of, establishing your organization as true subject matter experts with unique abilities and specialized access to methodologies and strategies has never been more important.

As the field gets perpetually more crowded, how can today's smart company rise above the background noise to ensure that the right people hear your message in the intended capacity?

The answer is Momentum's thought leadership solutions.

Developed with one goal in mind, yours, Momentum's portfolio of leading business development services can provide your organization with multiple opportunities to achieve your strategic objectives. By choosing Momentum, your organization will:

- Engage with attendees before, during and after the event to support the development or maintenance of stronger, more valuable relationships.
- Research the event's attendees in tremendous depth before the conference ever begins so you can more effectively prospect and execute a successful on-site strategy.
- Incorporate your thought leadership across several live and traditional channels that provide maximum exposure and awareness to the people that mean most to you.
