Trademark/Service Mark Application, Principal Register

Serial Number: 86013057

Filing Date: 07/17/2013

To the Commissioner for Trademarks:

MARK: CHARLESTON ROAD REGISTRY (Standard Characters, see [mark](#))

The literal element of the mark consists of CHARLESTON ROAD REGISTRY.

The mark consists of standard characters, without claim to any particular font, style, size, or color.

The applicant, Google Inc., a corporation of Delaware, having an address of

1600 Amphitheatre Parkway
Mountain View, California 94043
United States

requests registration of the trademark/service mark identified above in the United States Patent and Trademark Office on the Principal Register established by the Act of July 5, 1946 (15 U.S.C. Section 1051 et seq.), as amended, for the following:

International Class 009: Domain name resolution software for resolving domain names; domain name conversion software for converting domain names between distinct domain name systems; computer software for use in creating, translating, and adapting websites, content, applications, data, databases, and information for delivery to and use with wireless communication devices and other devices; computer software in the field of cryptographic network security and data security functions; computer software for integration of information logic and data between computer networks

Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services. (15 U.S.C. Section 1051(b)).

International Class 035: Commercial information and directory services; providing commercial information and on-line directory information services for locating Internet and other computer network addresses for entities, and providing a directory of organizations, individuals, addresses, and resources accessible through the use of the Internet and other computer networks

Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services. (15 U.S.C. Section 1051(b)).

International Class 036: Financial services, namely, providing financial transaction processing services by electronic means via the Internet and other computer networks in the field of electronic fund transfer and payment processing services; brokerage and escrow services relating to the purchase and sale of domain names, web sites and Internet based businesses; financial management services for electronic delivery, processing and transfer of funds, payments, financial transactions and financial information via the Internet and other computer networks; financial analyses, namely, financial valuation of domain

names; domain name valuation services

Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services. (15 U.S.C. Section 1051(b)).

International Class 038: Providing multiple-user access to a global computer information network; provision of access to a global computer network

Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services. (15 U.S.C. Section 1051(b)).

International Class 041: Educational services, namely, providing instruction in the field of the Internet, computer network addresses, and Internet domain name issues

Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services. (15 U.S.C. Section 1051(b)).

International Class 042: Domain name registry services, namely, coordinating the registration of domain names for identification of users and internet protocol addresses on the Internet; providing an online computer database in the field of domain name registration information; searching and retrieving information, sites, and other resources on domain names available on computer networks for others; computer services, namely, domain name management services; Domain Name System ("DNS") management and maintenance, domain name registry management and maintenance, DNS infrastructure services, developing and hosting a server on a global computer network for the purpose of resolving domain names to internet protocol addresses; domain name and DNS information propagation, and resolution of DNS requests; cloud hosting provider services; providing a web-based system and on-line portal for customers to manage DNS data; data conversion of computer program data or information, namely, network, computer, database and directory services that convert an assigned number sequence into an Internet Protocol ("IP") address or uniform resource locator ("URL") for the purpose of enabling access, selection and display of online content via a wireless network; technical support services, namely, infrastructure management services for monitoring, administration and management of public and private cloud computing IT, application systems, and web-based operations; computer security services, namely, monitoring and analysis of computer networks, detecting network attacks, and providing threat vulnerability mitigation services; development, design, implementation, testing, management, analysis and consulting services in the field of security, access, authorization, authentication, encryption, and identification systems for computers, computer hardware and computer networks; providing electronic verification of online transactions and generating electronic permission codes which permit the transaction to proceed

Intent to Use: The applicant has a bona fide intention to use or use through the applicant's related company or licensee the mark in commerce on or in connection with the identified goods and/or services. (15 U.S.C. Section 1051(b)).

The applicant's current Attorney Information:

Andrew Abrams of Google Inc.
1600 Amphitheatre Parkway
Mountain View, California 94043
United States

The applicant's current Correspondence Information:

Andrew Abrams
Google Inc.
1600 Amphitheatre Parkway

tmdocketing@google.com (authorized)

A fee payment in the amount of \$1950 has been submitted with the application, representing payment for 6 class(es).

Declaration

The undersigned, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. Section 1001, and that such willful false statements, and the like, may jeopardize the validity of the application or any resulting registration, declares that he/she is properly authorized to execute this application on behalf of the applicant; he/she believes the applicant to be the owner of the trademark/service mark sought to be registered, or, if the application is being filed under 15 U.S.C. Section 1051(b), he/she believes applicant to be entitled to use such mark in commerce; to the best of his/her knowledge and belief no other person, firm, corporation, or association has the right to use the mark in commerce, either in the identical form thereof or in such near resemblance thereto as to be likely, when used on or in connection with the goods/services of such other person, to cause confusion, or to cause mistake, or to deceive; and that all statements made of his/her own knowledge are true; and that all statements made on information and belief are believed to be true.
