Memorandum Endorsement

Office Space Solutions, Inc. v. Kneen, 15-cv-4941 (LAK)

The Court has stricken the first paragraph of the notice because (1) in its judgment, it is not a fair and complete statement of the Court's reasons for denying plaintiff's motion for a preliminary injunction, which were stated on the record and are available to anyone purchasing or accessing the transcript, and (2) it is entirely gratuitous.

As the plaintiff has the unqualified right to dismiss at this stage, the Court hereby "so orders" the unstricken part of the notice.

SO ORDERED.
